

Two large capacity bean
hoppers hold up to 5 lbs. of
whole beans each.

Valve-less brew system (**V.B.S.**):
patented water selector device
eliminates ALL directional and
dispense valves.

Soluble canisters (3); easy to
remove, disassemble and
re-assemble for a complete
and thorough cleaning.

Mixing chambers and other
critical plastic components are
infused with a Teflon™ poly-
mer to reduce powder caking.

Up to 96 beverage choices: 4
touch screens, 8 beverages
per screen, in 3 cup sizes.
Customize background colors,
drink images and a unique
screen saver to
promote your brand.

Unique brewer equipped with a
holding reservoir and by-pass
option to dispense larger drinks
in a single release.

Bravilor Bonamat's FreshGround is a self-serve whole bean single cup brewer. Designed to meet the demand for fresh, high-quality specialty drinks like Cappuccinos, Cafe Mocha, Moccachino, Deluxe Hot Chocolates, Cafe au Lait, Latte Macchiato and more, while being simple to operate in environments like offices, hotels, car dealerships and lounges. The FreshGround provides full control over the brewing process including the grind, the strength and the volume. Various accessories such as cabinets, waste chutes, payment systems and more are available to fit any application.

The taste of quality worldwide

Shown open: Grinder (2), Whole bean hopper (2); holds up to 5 lbs. each, Soluble canisters (3); holds up to 2.0 lbs. each.
